I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIFIL FOR THE PERIOD 1 AUGUST 1990 TO 31 JULY 1991

A. Period from 1 August 1990 to 31 January 1991

1. Under General Assembly resolution 44/188 of 21 December 1989, the Secretary-General was authorized to enter into commitments for UNIFIL at a rate not to exceed $12,001,000 gross ($11,806,000 net) per month for the 12-month period beginning 1 February 1990, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 639 (1989), the said amount to be apportioned among Member States in accordance with the provisions of Assembly resolution 43/232 of 1 March 1989 as adjusted by resolution 44/192 B of 21 December 1989.

2. By its resolution 659 (1990) of 31 July 1990, the Security Council decided to extend the mandate of UNIFIL for a period of six months until 31 January 1991. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $72,006,000 gross ($70,836,000 net), representing commitments for UNIFIL for the period from 1 August 1990 to 31 January 1991 was apportioned among Member States. The amount so apportioned (see sect. IV below) was appropriated by the General Assembly under the terms of its resolution 45/244 of 21 December 1990.

B. Period from 1 February to 31 July 1991

3. Under General Assembly resolution 45/244, the Secretary-General was authorized to enter into commitments for the operation of UNIFIL at a rate not to exceed $12,789,000 gross ($12,557,000 net) per month for the 12-month period beginning 1 February 1991, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 659 (1990).

4. By its resolution 684 (1991) of 30 January 1991, the Security Council decided to extend the mandate of UNIFIL for a further interim period of six months until 31 July 1991. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $76,734,000 gross ($75,342,000 net), representing commitments for UNIFIL for the period 1 February to 31 July 1991, was apportioned among Member States.

5. Additionally, it was decided that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to UNIFIL until 31 January 1991 of the two new Member States, Liechtenstein and Namibia, should be treated as miscellaneous income to be set off against the apportionments authorized as per above. The total of such income amounts to $3,239 (see sect. VI below).

6. The amounts so apportioned among Member States in accordance with the scheme set out in resolution 43/232 of 1 March 1989 as adjusted by resolutions 44/192 B of 21 December 1989 and 45/244 of 21 December 1990, are shown in section V of the present document.

C. Apportionment of the costs of peace-keeping operations

7. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

8. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

9. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

10. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIFIL. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 26 new Member States, including Liechtenstein and Namibia in 1990, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989 and 45/244 of 21 December 1990. The percentage shares shown in sections IV and V demonstrate the results of the application of the scheme, using the scale of assessments for the period 1989-1991 adopted by General Assembly resolution 43/223 A of 21 December 1988 and adjusted by resolution 45/256 B of 21 December 1990.
